

# **FAMILY PICTURES**

<b>VOCABULARY</b>			
father	mother	sister	brother
baby	children	parents	me
stepfather	stepmother		

## **SAMPLE LESSON**

---

**Skill Area:** Culture

**Language Stage:** Receptive

**Outcome:** Students will be able to identify family members.

**Materials:** Classroom pictures of families, paper, and crayons or pencils

**Procedure:** Show students pictures of families, labeling and naming the members. Have the students draw their families and label each member. Next, have the students cut out each member and group them according to gender, age, size, etc.

## **SAMPLE LESSON**

---

**Skill Area:** Culture

**Language Stage:** Receptive

**Outcome:** Students will be able to identify and label each member of their family.

**Materials:** Common family photographs

**Procedure:** Student will hold family photograph and name each family member. If needed, prompt students with questions such as, "Show me (point to) your father."
