## **SAMPLE LESSON**

---

**Skill Area:** Content Area Subjects

**Language Stage:** Receptive

**Outcome:** The student will learn appropriate handwriting skills in English for their grade level.

**Materials:** Handwriting work sheets or individual worksheets, copy machine paper, pencils

**Procedure:** Instructor models handwriting for student. Student will practice with instructor. Then to reinforce the skill learned, this will become a homework assignment. At middle and high school, this assignment can be tied in with vocabulary student is learning. Neatness is necessary.

**Note:** Please do not assume the student knows appropriate handwriting, regardless of age level. This skill needs to be addressed. Ample time needed for practice.
