

## Jan Hanson Memorial Academic Scholarship Fund

**Purpose:** To provide financial assistance for attending an institution of higher learning for the advancement of animal care and management, including but not limited to, preservation, treatment, research or viewing of wildlife by the general public.

**History:** This scholarship was made possible by the generous donations to the Jan Hanson Memorial Giraffe Fund. It was the dream of Jan to see an exhibit of giraffes for viewing at a local zoo. However, due to exhibit and animal maintenance costs, the zoo was not able to build an exhibit, and house giraffes locally. We the family of Jan Hanson, have made the decision to create a living Memorial to Jan by offering an academic scholarship in her name through the Sunflower Scholarship fund. It is our hope and prayer that those who have and will donate to this fund in the future will find this a fine substitute for the giraffe exhibit. It will help to further the education of those who choose a career in preservation and care of animals.

**Applicants:** Any post-high school Nebraska resident regardless of where they are attending college or other training.

**Amount:** \$500.00 per year. Awarded upon proof of enrollment or other documentation depending on the purpose of the scholarship.

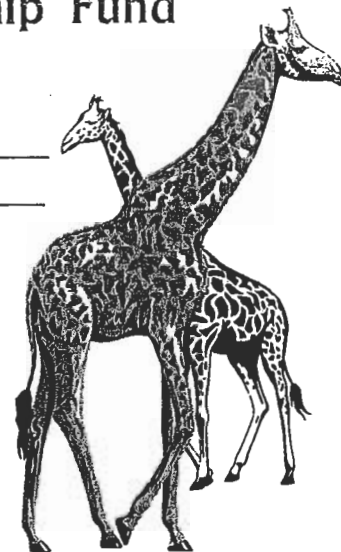

**Application date:** On or before April 1<sup>st</sup> current year.

**Notification:** On or before May 1<sup>st</sup> current year.

**Selection:** By a predetermined committee

Please request an application from:
