

BANNER COUNTY HOME EXTENSION SCHOLARSHIP

I. Purpose

To promote interest and to assist financially in furthering education in the field of Family and Consumer Sciences or agricultural related subjects.

II. Amount of Scholarship

\$300 per year will be paid directly to the student that is the recipient of the scholarship at the beginning of the 2nd semester .

III. Acquisition of Funds

It would be the desire of the scholarship committee that each Extension Club would contribute \$1.00 per member, annually if necessary, to the scholarship fund. All other donations would be greatly appreciated. Each club would raise such funds in any manner they wish. Any funds not used would carry over to the next year. Please make checks payable to Banner County Home Extension Scholarship- Fund. through the council.

IV. Eligibility

- A. A graduating senior of Banner County High School.
- B. A girl or boy planning to major in Family Consumer Sciences or Agricultural related subjects.
 - 1. Priority will be given in the field of Family and Consumer Sciences.
 - 2. Agricultural students will be considered when there are no applications in Family and Consumer Sciences.
- C. Students must be in upper 50% of graduating class.
- D. If there are no applications of students enrolling in Family Consumer Sciences or Agricultural related subjects, an eligible senior may be selected with priority given to a senior of a the BCE member.

V. Application

- A. To be made through the principal's office by April 20.
- B. List grades, achievements, activities and need.

IV. Selection

Made by a committee composed of the Home Economics teacher, Principal of the High School, Guidance Counselor, the Industrial Arts Teacher, and the President of the Extension Council.
