Re: Lincoln Community Foundation Scholarships

The Lincoln Community Foundation is pleased to announce that we have updated our scholarship guidelines and application materials for the 2006-2007 school year.

**You may find information about our available scholarships by visiting our website at
www.lcf.org**

Click on "Scholarships" and select the category at the top of the page that appropriately describes your students (either high school students from Lancaster County or high school students outside of Lancaster County) to locate scholarships for which they may be eligible to apply.

Please note: In an effort to save paper and staff time, we will not be sending scholarship materials to you unless you request it. All information about our scholarship program can be located on our website. However, if you prefer to receive our scholarship materials by mail or e-mail, please contact my assistant, Sonya Brakeman, at (402) 4742345. You may also e-mail her at sonyab@lcf.org with your request.

Some scholarship information has changed this year including deadlines, essay questions and grade transcript requirements. We have also made changes to our application and financial information forms. If you have any Lincoln Community Foundation scholarship materials in your files from previous years, please visit our website or contact our office to ensure that you have the most current information to pass along to you students.

If you have any questions regarding our website or about our scholarships in general, please do not hesitate to contact me or my assistant. Thank you for your assistance.
